Baird McNutt

- 100% Linen
- Baird McNutt is a storied Northern Irish mill known for quality in linen fabrics
- Linen is breathable and allows heat to escape the body
- A quintessential warm weather fabric
- Tends to wrinkle – but this is a trait that clients must embrace, and it can be steamed if needed
- Ideal for summer weddings or special occasions
- Available in suiting and formal
- Colors that will surely add a pop to your client's social wardrobe
